

Directions to Anjou Lake

Anjou Lake is located off the D961, between Vern-d'Anjou and La Poueze

Navigation Tips:

- If you've mapped a route via Paris, you've done something wrong
- White signs are for local areas and villages
- Green signs are for national routes (Like UK 'A' roads)
- Blue signs are for motorways (usually toll roads)
- If a road sign doesn't show your destination, follow 'Toutes Directions' or 'Autres Directions'
- Some routes include toll roads (*peage*), so allow for this

Sat-Nav tips:

- Don't use post-codes as destinations. A French post-code can cover many villages
- In some systems, W (West) is expressed as a minus, e.g. -0.464258

Anjou Lake GPS co-ordinates

The following co-ordinates will take you to the entrance gate at Anjou Lake:

Decimal Value		Degrees and Minutes
N47.576944	or	N47° 34' 37"
W0.837439		W0° 50' 14"

Check the route map on your navigation system to confirm you've entered the information correctly. Your destination should be approximately 35 miles South of Laval.

If you prefer navigating to a nearby village (within 2 miles), choose Vern-d'Anjou as your destination and follow the local directions below:
