

## Directions to Trident Lakes

### Trident is located off the D13, between Combourg and La Chapelle-aux-Fitzmeens

#### Navigation Tips:

- If you've mapped a route via Paris, you've done something wrong
- White signs are for local areas and villages
- Green signs are for national routes (Like UK 'A' roads)
- Blue signs are for motorways (usually toll roads)
- If a road sign doesn't show your destination, follow 'Toutes Directions' or 'Autres Directions'
- Some routes include toll roads (*peage*), so allow for this

#### Sat-Nav tips:

- Don't use post-codes as destinations. A French post-code can cover many villages
- In some systems, W (West) is expressed as a minus, e.g. -0.464258
